SOCRATES HELLENIC AMERICAN DAY SCHOOL 2010-2011 FINANCIAL INCENTIVE PROGRAMS

In 2009, in response to the economic downturn, the HAA Executive Committee announced a collection of financial “incentive” programs available to our Day School families. For the 2010/11 academic year, we are pleased to continue that initiative through a new series of incentive programs. Below is a general description of how our Financial Incentive Programs work and then a specific list of each 2010/11 Program and the terms relating to each.

HOW OUR SCHOOL CAN HELP YOU!

The Socrates Day School is committed to making our school as accessible as reasonably possible for all our community members. In these challenging economic times, we are pleased to offer a variety of Financial Incentive Programs for this upcoming year. Families are encouraged to review the available options with our administrators to determine which program is best-suited to their situation. ***Please note that these financial programs are directed to Day School programs only and are limited to one per family unless specifically stated in writing otherwise.***

HOW YOU CAN HELP OUR SCHOOL!

The Financial Incentive Programs are designed to broaden the reach of our school community. The Programs are largely funded through the generous donation of HAA supporters. **Given limited school resources, families who can afford the regular tuition rate are encouraged to help our school by declining such programs or otherwise make a charitable donation back to the school. Thank you for your support!**

PRIORITY REGISTRATION FOR EXISTING FAMILIES

Several of the Incentive Programs listed below are limited in number. Families in good standing who have at least one student enrolled in the 2009/10 Academic Year will be given a first opportunity to take advantage of these Incentive Programs by completing their registration and selecting a specific Program by April 15, 2010. After April 15, these Programs will be open to the public and distributed on a first come, first serve basis.

QUESTIONS

If you have questions regarding the Financial Incentive Programs or any other aspect of billing, please do not hesitate to contact our Accounting Department at (847) 317-1063 ext. 204 or by email at accounting@haamail.net. Thank you!

THIS YEAR'S FINANCIAL INCENTIVE PROGRAMS

Families may select *ONE* of the Programs listed below and must designate which Program they intend to elect on their registration form. *Please note, the first three Incentive Programs require enrollment by June 30, 2010. This deadline is required to help our administrators better understand staffing and material needs in the upcoming year.*

1. 2010/11 KINDERGARTEN INCENTIVE PROGRAM

Families with a student who is registered for Kindergarten before June 30, 2010 are eligible to receive one \$500 scholarship credit toward their Kindergarten tuition in 2010/2011. Limited to 20 scholarships which will be applied to those who fully complete registration on a first come, first serve basis.

2. 2010/11 1ST, 4TH OR 6TH GRADE INCENTIVE PROGRAMS

Families with a student who is registered for either 1st, 4th or 6th grade before June 30, 2010 are eligible to receive one \$2,500 scholarship credit toward their tuition in 2010/2011. Limited to 10 scholarships per grade (*one per family*) which will be applied to those who fully complete registration on a first come, first serve basis.

3. LARGE FAMILY TUITION & REGULAR FEE CAP

Families who have three or more children registered in the Day School before June 30, 2010 are eligible to receive an \$11,000 cap on all Basic Tuition and Regular Fees charges as defined in the 2010/11 Tuition & Fee Schedule. Please note this applies to Basic Tuition and Regular Fees only. All other charges are expressly excluded. (*For example, extra service charges for before and after care or late fees are excluded. See Tuition & Fee Schedule for additional examples.*)

4. FINANCIAL HARDSHIP SCHOLARSHIPS

Additionally, our school offers various types of financial aid to students based on economic hardship. Please contact the school administrators for additional information.

EXCLUSIONS AND LIMITATIONS

We hope the explanation of our Financial Incentive Programs is clear. If you have any questions, please contact our Accounting Department. These Programs are intended to help more families have access to our Day School. However, please remember our school has been impacted by the economic downturn too. For this reason, no charge or expense should be assumed to be covered by a Financial Incentive Program, unless it is *expressly* stated to be covered. If there is uncertainty in the interpretation of how to apply a particular Incentive Program, please assume the intent is for the charge at issue to remain in place to help cover the day-to-day costs of our school. We greatly appreciate your understanding in this matter and thank you, as always, for your support!
